LAST UPDATED AUGUST 18, 2022

Most Pacific uses “dropshipping” services to create and fulfill orders for users. The shipping to users is done by our dropshipping service , Printful through Wix.com. Any inconveniences that may arrive from shipping must still be expressed to Most Pacific at [info@mostpacific.com](mailto:info@mostpacific.com) or by filling a form at <http://www.mostpacific.com/contact>.

## Domestic (United States) Shipping

We offer free shipping for orders over \$150

\$12 shipping fee for orders priced between \$150 and \$120

\$10 shipping fee for orders priced between \$120 and \$90

\$8 shipping fee for orders priced between \$90 and \$60

\$6 shipping fee for orders priced \$60 and under

## International Shipping

We offer free shipping for orders over \$200

All orders under \$200 are subject to a \$20 flat rate shipping with \$5 handling fee

It may take 2-3 business days for orders to be processed before they are shipped due to being “print on demand”. Orders may take 3-5 business to ship to users, however a tracking will be provided to users for domestic and international shipping unless otherwise notified by Most Pacific. Dropshipping is a business model where you don’t have your own stock, which typically causes longer shipping times.
